Notable features:

Two story and attic, typical of many early Baltimore houses. Number 905 could well be the house which appears on the tax list, 1839-1840, as belonging to a Mr. Gilbert, value \$1200. Number 903 is the other listed for taxes. These two represent well the early buildings on Baltimore Street. They should be rehabilitated. Sign and remodelled front on 905 are very bad for the building and should be removed.

Environmental context:

(See comment for 901 W. Baltimore Street.)
